Maritz Research Ltd is one of the world's largest market research agencies and has provided actionable intelligence to their clients since 1973.

Rapport' were appointed to manage the office relocation, design and fit-out of Maritz Research Ltd's new offices in High Wycombe. The new offices were designed to encourage and enhance communication and interaction between the various teams.

The final solution has created a stunning open plan workspace with meeting and training spaces to accommodate both formal and soft meeting requirements.

Deborah Burns, Finance Director – Maritz Research Ltd commented...

Our office move was a huge change and challenge for our business!

"Jeanette's expertise and knowledge of the industry has been extensive. It was important for us to have a Project Manager who could work alongside our internal team, understood organisational change and communicated well on several levels.

The tender process, selection of contractors and specialists proved invaluable and ensured us cost control through the programme. Rapport Solutions provided exceptional support and service which we would highly recommend to any company moving their business. We are all absolutely delighted with our new office environment."
