

Client: Rosebery Housing Association

Location: Epsom, Surrey

Size: 5,730 sq ft

Value: £268,491

Project: Office Design and fit-out

Rosebery Housing Association appointed Rapport to manage and co-ordinate the office design and fit-out of their new offices at Newplan House in Epsom.

Designs created flexible workspace to encourage interaction and collaboration between teams. State of the art meeting facilities to cater for formal meetings and internal / external training requirements, and stringent controls through a two-stage tender ensured transparency of expenditure across the board

Deborah Pike CEO commented:

"We have received a very positive reaction from our staff about their new working environment and I wanted to send my thanks to you and your team for visualising our new office and making it a reality. Business has resumed without missing a beat".
